## CE Declaration of Conformity

We, Zaber Technologies Inc., #2 – 605 West Kent Ave. N, Vancouver, BC, Canada, declare that the following products, including all their options:

Part Number	Description
A-BAR	Motorized linear actuator
A-BLQ	Motorized belt-driven linear stage
A-LAR	Motorized linear actuator
A-LSQ	Motorized linear stage
A-LST	Motorized linear stage
ASR	Motorized XY microscope stage
BAR	Motorized linear actuator
GLP	Motorized gripper
GSM	Motorized goniometer
LAC	Compact linear actuator
LAR	Motorized linear actuator
LHM	Motorized linear stage
LMG	Motorized goniometer
LRM	Motorized linear stage
LRQ	Motorized linear stage
LRT	Motorized linear stage
LSA	Compact motorized linear stage
LSM	Miniature motorized linear stage
LSQ	Motorized linear stage
LST	Motorized linear stage
M-LSM	Motorized micromanipulator
NA	Electric linear actuator
NM	Stepper motor
OMG	Motorized optic mount
RS	Motorized rotary stage
RSB	Motorized rotary stage
RSM	Motorized rotary stage
RST	Motorized rotary stage
RSW	Motorized rotary stage
T-LA	Miniature linear actuator
T-LHM	Motorized linear stage
T-LLS	Motorized dovetail slide
T-LS	Motorized linear stage

T-LSM	Miniature motorized linear stage
T-LSQ	Motorized linear stage
T-LSR	Motorized linear slide
T-LST	Motorized linear stage
T-MM	Motorized mirror mount
T-NA	Micro linear actuator
T-NM	Stepper motor
T-OMG	Motorized optic mount
T-RS	Motorized rotary stage
T-RSW	Motorized rotary stage
TSB	Translation stage
VSR	Motorized vertical stage
X-BLQ	Motorized belt-driven linear stage
X-FWR	Motorized filter wheel
X-GLP	Motorized gripper
X-GSM	Motorized goniometer
X-LDM	Motorized linear stage
X-LDQ	Motorized linear stage
X-LHM	Motorized linear stage
X-LRM	Motorized linear stage
X-LRT	Motorized linear stage
X-LRQ	Motorized linear stage
X-LSM	Miniature motorized linear stage
X-LSQ	Motorized linear stage
X-NMS	Stepper motor
X-RSB	Motorized rotary stage
X-RSM	Motorized rotary stage
X-RST	Motorized rotary stage
X-RSW	Motorized rotary stage
X-VSR	Motorized vertical stage

that bear the CE logo are in conformity with the provisions of Council Directive 2006/42/EC (Directive on Machinery).
